

A MESSAGE FROM THE PRESIDENT

To help you balance your education with other life commitments, COM has introduced the innovative 8-Week Advantage. This new session format offers numerous benefits, including the ability to focus on fewer subjects at a time, maintain momentum and achieve a better balance between school and life. Additionally, it provides a streamlined path to full-time student status, helping you stay on track toward graduation.

I encourage you to explore the possibilities and discover what makes College of the Mainland truly remarkable. COM isn't just a place to learn—it's a place to grow, innovate and prepare for a bright future. Together, we are making room for tomorrow—and that starts with you.

Welcome to College of the Mainland. Be Bold. Fly High.

Dr. Warren Nichols
President

Thank you for considering College of the Mainland!

As you prepare to embark on this exciting new chapter in your life, we invite you to explore the opportunities that await you at COM. Starting your college journey here means becoming part of a supportive community that feels like family. Our dedicated faculty and staff are committed to nurturing your unique strengths and talents, ensuring you have the support needed to succeed. With caring instructors, flexible class schedules and countless opportunities for growth, the COM experience is truly one of a kind.

This transformative experience is further elevated by the opportunities made possible through the 2023 General Obligation Bond, which supports the exciting expansion and modernization of our facilities and programs. Several innovative programs have recently been introduced, with more on the horizon. Among the most anticipated are the Instrumentation and Electrical (I&E) and Surgical Technology programs, both of which are designed to meet the evolving needs of today's job market.

At COM, student success is at the heart of everything we do. Our comprehensive approach connects every aspect of your college experience, from academics to support services. Through initiatives like personalized advising, veterans affairs support, the TRiO program, and our Tutoring Center, we provide the resources you need to achieve your academic, professional and personal goals.
