

RADIOLOGIC TECHNOLOGY - ASSOCIATE OF APPLIED SCIENCE

The COM Radiologic Technology programs are academically rigorous in anatomy, patient positioning, examination techniques, equipment protocols, radiation safety, radiation protection, patient care, and communication skills.

The Associate of Applied Science degree in Radiologic Technology prepares the graduate to be a clinically competent entry – level Radiologic Technologist. The technologist is skilled in using radiation to produce images of a patient's body. Graduates from the program will be eligible to sit for the American Registry of Radiologic Technologists (ARRT) national board exam and may also apply for a Medical Radiologic Technologist (MRT) licensure from the State of Texas.

The Limited Medical Radiologic Technologist Certificate program prepares graduates to be to be clinical competent technologists with a limited scope of practice. An LMRT specializes in performing X-ray imaging with a focus on skeletal systems and bony anatomy, including extremities, skull, facial bones, vertebral column, and chest. Graduates from the program will be eligible to apply for an LMRT licensure from the State of Texas.

A limited number of students are selected once a year through the application process.

Admission to the college does not guarantee admission to the Radiologic Technology programs. Students must apply for admission to the program once all prerequisite courses and admission criteria are met. For admission and program information, contact Student Services Enrollment Management (new students) or Advising (returning/continuing students).

Graduation Requirements:

To be eligible for an Associate of Applied Science degree in Radiologic Technology, or Limited Medical Radiologic Technologist certificate the student must:

- Complete all course and program requirements for the degree being conferred with a minimum grade of "C" in all courses.
- Be clear of all holds and financial obligations to COM.

Effective September 1, 2017, HB 1508 amends the Texas Occupations Code Section 53 that requires education providers to notify potential or enrolled students that a criminal history may make them ineligible for an occupational license upon program completion. Program specific information will be provided in course syllabi.

Stackable Credentials

- Associate of Applied Science - Radiologic Technology (p. 1)
- Certificate - Limited Medical Radiologic Technologist (LMRT) (<http://coursecatalog.com.edu/catalog/areas-of-study/health-professions/limited-medical-radiologic-technologist-lmrt-cert2/#fulltimescheduletext>)

Full Time Student Schedule

Course	Title	Semester Credit Hours
First Year		
Prerequisite Courses		
ENGL 1301	Composition I ²	3
BIOL 2401	Anatomy & Physiology I ²	4
BIOL 2402	Anatomy & Physiology II ²	4
MATH 1314	College Algebra ²	3
Semester Credit Hours		14
Semester #1		
RADR 1411	Basic Radiographic Procedures	4
RADR 1309	Introduction to Radiography and Patient Care	3
RADR 2209	Radiographic Imaging Equipment	2
RADR 1166	Practicum (or Field Experience) - Radiologic Technology/Science - Radiographer	1
Semester Credit Hours		10
Semester #2		
RADR 2401	Intermediate Radiographic Procedures	4
RADR 1313	Principles of Radiographic Imaging I	3
RADR 2305	Principles of Radiographic Imaging II	3
RADR 1266	Practicum (or Field Experience) - Radiologic Technology/Science - Radiographer	2
Semester Credit Hours		12
Semester #3		
RADR 2266	Practicum (or Field Experience) - Radiologic Technology/Science - Radiographer	2
RADR 2313	Radiation Biology and Protection	3
PHIL 2306	Introduction to Ethics ²	3
Semester Credit Hours		8
Second Year		
Semester #1		
RADR 2331	Advanced Radiographic Procedures	3
RADR 2217	Radiographic Pathology	2
RADR 2367	Practicum (or Field Experience) - Radiologic Technology/Science - Radiographer	3
PSYC 2301 or PSYC 2314	General Psychology ² or Lifespan Growth & Development	3
Semester Credit Hours		11
Semester #2		
RADR 2335	Radiologic Technology Seminar ¹	3
RADR 2333	Advanced Medical Imaging	3
RADR 2368	Practicum (or Field Experience) - Radiologic Technology/Science - Radiographer	3
Semester Credit Hours		9
Total Semester Credit Hours		64

¹ Capstone course

² Course(s) listed in the Texas Common Course Numbering System (<https://tcns.org/institution/id:14/yid:19/>)
